

LEROY D. BACA, SHERIFF

County of Los Angeles
Sheriff's Department Headquarters
4700 Ramona Boulevard
Monterey Park, California 91754-2169

June 20, 2012

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**30-DAY STATUS OF RECOMMENDATIONS MADE IN THE OCTOBER 18, 2011,
BOARD OF SUPERVISORS' MEETING REGARDING THE MERRICK BOBB AND
OFFICE OF INDEPENDENT REVIEW REGARDING THE JAIL SYSTEM**

On October 18, 2011, your Board requested that the Los Angeles County Sheriff's Department (Department) report back on the motion to immediately implement the recommendations previously made by Special Counsel Merrick Bobb and the Office of Independent Review. In addition, your Board requested the Department report back on deputy worn video cameras, the status of the Department's hiring practices, sting audits, a force rollout team, and the length of time deputies serve in the jails. Attached is an update on each recommendation from the April 24, 2012, response.

Should you have any questions or require additional information, please contact me or Assistant Sheriff Cecil W. Rhambo, Jr., at (323) 526-5065.

Sincerely,

LEROY D. BACA
SHERIFF

A Tradition of Service

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

COUNTY OF LOS ANGELES - SHERIFF'S DEPARTMENT

The purpose of this document is to provide a status of the recommendations by date and title, prepared by Special Counsel Merrick J. Bobb, the Office of Independent Review, and the Board of Supervisors.

- I. Install surveillance cameras at the Men's Central Jail, the Inmate Reception Center and the Twin Towers Correctional Facility within 30 days and develop a plan to purchase and install surveillance cameras at the remaining jail facilities.**

The Department has installed all 705 cameras at Men's Central Jail (MCJ). As of May 31, 2012, all cameras are online and recording.

The Department is currently installing cameras at Twin Towers Correctional Facility (TTCF) and the Inmate Reception Center (IRC). Currently, 614 cameras have been installed at TTCF (2 recording), and 17 at IRC (all recording).

The attached document (Camera Project Status Report) depicts the Department's current status on camera installation and the projected total of cameras.

Data Storage

The video storage servers provide storage of video data. They were received and installed in December 2011. The Department is in the process of obtaining Board approval to purchase additional memory. Technicians are analyzing equipment efficiency and quality of resolution as cameras are added to the servers. Several options regarding video storage are being considered in order to meet legal and Board approved requirements for video storage, while also maintaining quality resolution at a reasonable cost.

The network upgrade equipment are servers which send the video feed from the camera to the archive video server and was installed on April 28, 2012.

Policy

The Department has drafted a new policy regarding video surveillance. The policy is in the final stages of being reviewed by Department executives and County Counsel.

- II. Eliminate the use of heavy flashlights as batons to subdue inmates.**

The Department and the Association for Los Angeles Deputy Sheriffs (ALADS) came to a mutual agreement regarding the use of flashlights in the jails. The Sheriff has directed and approved a new policy to limit the size and weight of the flashlight. The policy specifies that the flashlights shall not weigh more than 16

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

ounces, and shall not be more than 13 inches in length. Flashlights longer than 6 inches shall be of plastic or nylon composite material only. The Custody Division Manual (CDM) section 3-06/055.20 Flashlights, was published on May 23, 2012 (policy attached). The new policy will be effective July 1, 2012.

III. Eliminate the use of “steel-toe” shoes.

Recommendation implemented.

On October 24, 2011, the Department made revisions to the existing “Footwear” policy (MPP 3-03/225.00). This policy was published into the Department’s Manual of Policy and Procedures and disseminated to all personnel on February 12, 2012.

Research of existing personnel showed that Department personnel have never worn “steel toe” boots in any capacity; however, the Department formally revised the policy to strictly prohibit any use of “steel toe” boots.

IV. Revise the Policy on Head Strikes with Impact Weapons to forbid all head strikes, including, but not limited to, head strikes against fixed objects such as floors, walls or jail bars, unless the standard for lethal force has been met.

Recommendation implemented.

On October 10, 2011, the Sheriff initiated a “Force Prevention” policy (CDM 3-02/035.00) which provides direction for personnel relating to respect based treatment of incarcerated individuals. This policy was published into the Custody Division Manual and disseminated to all custody assigned personnel on November 8, 2011. The policy was then discussed with the ALADS working group in which revisions were made. The revised Force Prevention policy was republished and redistributed to all personnel in the jails on March 19, 2012.

On October 26, 2011, the Department made additions to the existing “Unreasonable Force” (MPP 3-01/025.10) policy and the “Activation of Force/Shooting Response Teams” (MPP 5-09/434.05) to strictly prohibit head strikes against a hard object. Unless otherwise handled by the Internal Affairs Bureau (IAB), the Custody Force Response Team (CFRT) responds to all force incidents where any head strike occurs, whether the strike is initiated by personnel, or by contact with floors, walls or other hard objects. The “Unreasonable Force” and “Activation of Force/Shooting Response Teams” policies were published into the Department’s Manual of Policy and Procedures and disseminated to all personnel on February 13, 2012.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

V. Rotate jail deputies between floors at Men's Central Jail and other jail facilities at no less than six-month intervals.

Recommendation implemented.

In January 2011, Men's Central Jail began rotating their staff no less than every six months. After consulting with ALADS, a new Custody Directive "Mandatory Rotation of Line Personnel in Custody" (12-001) was published and disseminated to all custody personnel on February 17, 2012, mandating the rotation of all Custody line personnel every six months.

VI. Enforce the Anti-Retaliation Policy to prevent Sheriff's deputies from retaliating against inmates speaking with legal representatives or inmate advocacy groups or for expressing dissatisfaction with jail conditions.

Recommendation implemented.

In August 2011, the Department made revisions to the existing "Treatment of Inmates" (CDM 5-12/005.00) policy to prevent deputies from retaliating against inmates. All staff assigned to Custody Division were provided a formal briefing on the revisions to the policy. The briefing began August 4, 2011, and continued for a two-week period. In addition, the Department redistributed the policy on October 25, 2011, for another two-week recurring briefing to ensure each staff member was fully aware of the expectations of the policy and mandated quarterly recurring briefings be conducted.

The Department made additional revisions to the existing "Treatment of Inmates" policy in order to separate and create specific orders relating to retaliation against inmates. The Custody Division Manual, "Anti-Retaliation Policy" (CDM 5-12/005.05) mandates that all complaints of retaliation are forwarded to IAB; the captain of IAB will determine which unit will conduct the investigation. This revised version of the "Treatment of Inmates" policy and the new "Anti-Retaliation Policy" were published and disseminated to all custody personnel on February 27, 2012.

VII. Interviews of inmates who make claims of excessive force should not be conducted by, or in the presence of, the deputies or their supervising sergeant involved in the alleged use of force.

Recommendation implemented.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

On October, 26, 2011, the Department made revisions to the existing "Use of Force Reporting and Review Procedures" (MPP 5-09/430.00) policy ensuring privacy during force interviews. This policy was published in the Department's Manual of Policy and Procedures and disseminated to all personnel on February 13, 2012.

- VIII. Interviews of inmates alleging use of force and any witnesses must occur as soon as feasibly possible, but no later than 48 hours of the incident.**

Recommendation implemented.

On October, 26, 2011, the Department made revisions to the existing "Use of Force Reporting and Review Procedures" (MPP 5-09/430.00) policy directing supervisors to immediately conduct interviews. As noted in VII, this policy was published in the Department's Manual of Policy and Procedures and disseminated to all personnel on February 13, 2012.

- IX. Develop a prioritization process for Use of Force Investigations to ensure that the most severe incidents are completed within 30 days and that all others are completed within 60 to 90 days.**

Recommendation implemented.

The Department developed a CFRT Directive (11-005) that established new criteria for force review in the jails. This ensures that significant force cases, not handled by IAB, are externally evaluated and completed within 30 days. At that time, they are reviewed by the newly formed Custody Force Review Committee (CFRC), which consists of three commanders. The last CFRC was conducted on June 19, 2012, and included oversight by the Office of Independent Review (OIR). The next CFRC is scheduled for July 3, 2012.

The Department continues to process the most severe incidents as IAB investigations, which are generally completed within 90 days unless unexpected circumstances arise.

The CFRT Directive was published and disseminated to all custody personnel on November 7, 2011. The aforementioned CFRT Directive was revised and published as a Custody Division Policy on May 23, 2012 (policy attached). The CFRC policy was published and disseminated to all custody personnel on April 16, 2012.

- X. Develop a plan for more intense supervision that requires jail sergeants to directly supervise jail deputies, including walking the row of jail cells and floors and responding as soon as possible to any notification of interaction where force is being used on an inmate.**

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

Recommendation Implemented at MCJ.

On October 27, 2011, the Department delivered a letter to the Chief Executive Officer requesting additional supervisory staff in the jails. However, the Department felt it was imperative to immediately increase staffing at MCJ.

Effective November 6, 2011, 19 sergeants were added to MCJ's current staffing to ensure the appropriate supervision was in place. These items were removed from other critical areas within the Department and deployed to cover both Day and PM shifts. There are now two sergeants assigned to 2000, 3000, 4000, 5000, and 9000 floors, and a full-time sergeant is dedicated to 1700/1750. All sergeants were briefed on the expectations to be visible and actively monitoring activity on the floor at all times. In addition, the Department is working on "duty statements" for all custody personnel to ensure they have a full understanding of the expectations of their assignment.

- XI. Immediately mandate that all custody medical personnel report all suspicious injuries of inmates to the Internal Affairs Bureau or the captain of the jail facility where the inmate is housed.**

Recommendation implemented.

On October 26, 2011, the Department's Medical Services Bureau revised the "Injury/Illness Report - Inmate" policy (M206.09) to include a provision requiring medical staff to advise the facility watch commander in the event an inmate reports/alleges that their injuries are the result of force used by a Department employee. This policy was disseminated to all medical personnel on October 26, 2011.

- XII. Report back on the role of the new jail commanders and how they will be used to reduce jail violence.**

As reported to the Board on November 1, 2011.

Since the implementation of efforts by the CMTF to reduce jail violence and associated use of force incidents, total significant uses of force continue to decline. Two documents are attached relating to force incidents in the jails:

- Force Used by Month – Significant force vs. Less significant force*
- Force Year to Date – 2007 to 2012*

The jail commanders continue to work with each custody unit to accomplish the goals set forth by the Sheriff.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

The jail commanders oversee the operations of the CMTF, comprised of five commanders, eight lieutenants, eight sergeants, and four support staff. The lieutenants, sergeants, and support staff are all items that were removed from critical units within the Department and deployed to this task force.

The CMTF Mission is to assess and transform the culture of the custody facilities in order to provide a safe, secure learning environment for our Department personnel and the inmates placed in the Department's care. The CMTF's purpose is to empower Department personnel to provide a level of professionalism and serve the needs of inmates consistent with the Department's "Core Values."

The CMTF's responsibilities and goals include promoting community trust, reducing jail violence by changing the deputy culture of the custody environment, encouraging respect based communications with inmates, reviewing and implementing new training for staff assigned to the jails, preparing and revising all directives/policies necessary to implement Special Counsel Merrick Bobb/OIR recommendations, analyzing force incidents and developing and implementing a custodial career path.

The CMTF and Custody Support Services have been working collaboratively to fulfill recommendation requests made by the American Civil Liberties Union (ACLU), Special Counsel Merrick Bobb, OIR, and the Los Angeles County Board of Supervisors, which pertain to the Jails (recommendations attached).

Below is a summary of the current overall status of all recommendations made since 1994:

Agency	Implemented	Not Implemented	In Process	Totals Recommendations
ACLU	27	2	3	32
Bobb	94	8	17	119
OIR	75	2	8	85
BOS	6		2	8
Totals	202	12	30	244

The eight CMTF lieutenants work directly in accomplishing the goals set forth by the Sheriff and commanders. The eight CMTF sergeants are comprised as a jail force "roll-out" team (CFRT) who oversee, mentor and review all significant force cases that meet a particular criterion, yet do not rise to the level of an IAB investigation.

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

- XIII. Sheriff to work with the Chief Executive Office to immediately study the feasibility of purchasing officer worn video cameras for all custody personnel to use, to identify potential funding for this purpose, and develop appropriate policies and procedures for the use of these cameras. Policies should include a requirement that custody personnel record all interactions with inmates, including Title 15 checks, any movement throughout the jail facilities and any use of force. Each failure to record or immediately report any use of force against inmates must be appropriately disciplined.**

As reported to the Board on March 13, 2012.

The Department is conducting a six month "Proof of Concept" in order to determine whether there is a practical use for Personal Video Recording Devices (PVRD) in Custody Division.

The Department has received and issued 30 PRVD's for the pilot program. The CMTF drafted a guideline, and conducted training for the volunteer deputies involved in the program. The pilot program began on February 26, 2012, and will be re-evaluated in six months. The PRVD's are worn by deputies interacting with inmates at the MCJ and TTCF Facilities. The Department has conducted initial testing with two different models of PRVD's and expects to begin testing a third model in the next month.

- XIV. Consider the feasibility of targeted and random undercover sting operations performed in custody facilities to ensure deputies are working within policy.**

As reported in closed session.

The Sheriff discussed this motion during the November 1, 2011, closed session meeting.

- XV. Consider a "roll-out team" to investigate when there is a use of force in a custody facility.**

Recommendation implemented.

Beginning November 2011, the Department created the CFRT, comprised of eight sergeants and a lieutenant, who are tasked with responding to selected custody facility force incidents.

The CMTF created a set criteria that mandates facility watch commanders to contact the CFRT and request a response. The CFRT sergeant will oversee and assist in the force documentation for the facility. In the course of reviewing the

RECOMMENDATIONS BY MERRICK BOBB AND OFFICE OF INDEPENDENT REVIEW
REGARDING THE JAIL SYSTEM

incident, the CFRT sergeant shall give specific direction to the handling supervisor. If any policy violations are discovered, the CFRT will immediately assume responsibility of the force investigation and initiate an internal investigation.

All incidents requiring a CFRT response will be reviewed by a newly formed CFRC comprised of three commanders assigned to Custody Division. The CFRC has the authority to order additional investigation, make recommendations, or request an IAB investigation if there appears to be a possible violation of Department policy. Since the implementation of the CFRT, they have responded to 60 incidents as of June 5, 2012.

XVI. Report back in 30 days on the hiring standards for deputy sheriffs and how they changed during the last hiring push.

Recommendation completed - a full report on the hiring standards was provided in the November 1, 2011, letter.

XVII. Consider a two-track career path for deputies, patrol deputies and custody deputies.

Feasibility study is ongoing.

On December 16, 2011, the CMTF concluded an extensive two-month study which analyzed different methods of implementing a two-track career path within the Department. Study results and CMTF recommendations have been presented to the Chief Executive Office (CEO), ALADS, PPOA, and the Public Safety Cluster Agenda Review meeting on February 8, 2012. The Department will be working with the CEO towards implementation of this proposal.

XVIII. Review existing policy of assigning new deputies to custody functions, specifically, the length of time spent in custody and the hiring trend as its primary determining factor, and revise the policy to reduce the length of time deputies serve in custody.

On October 28, 2011, the Department authorized custody personnel to initiate extensions if they desire to remain in their current assignment. As of June 7, 2012, 351 deputies have taken advantage of this offer, which will ultimately cause a reduction of time that deputies will serve in a custody assignment.

As noted in the above item, recommendations for a two-track career path were presented to the CEO, ALADS, Professional Peace Officers Association, and at the Public Safety CARs meeting on February 8, 2012, which will reduce the length of time deputies, serve in custody.

**3-06/055.20 FLASHLIGHTS**

The flashlight carried on duty in Custody Division facilities shall not weigh more than 16 ounces, and shall not be more than 13 inches in length. The flashlight used shall be of good commercial quality and construction, and shall be regularly inspected by its owner for proper working condition. Flashlights longer than 6 inches in length shall be of plastic or nylon composite material only.

IMPLEMENTATION EFFECTIVE JULY 1, 2012

05/23/12 CDM

4-07/005.00 CUSTODY FORCE RESPONSE TEAM

The goal of the Custody Force Response Team (CFRT) is to ensure high quality force investigations through incident oversight and investigative evaluation. The (CFRT) is comprised of sergeants, designated to respond to specific force incidents, where they will monitor various aspects of the inquiry, including but not limited to: interviewing participant employees, inmates, and witnesses, examining any video or evidence and monitoring the facility supervisor as they conduct their inquiry.

The Response Team Sergeants shall act as an on-scene resource for the handling supervisor, providing information, guidance, analysis and recommendations. In the course of reviewing the incident, the Response Team Sergeant may give specific direction to the handling supervisor, if appropriate. The facility supervisor has the primary responsibility of handling and documenting the force incident; however, the CFRT has the authority to take control and assume responsibility for the investigation. In the event of policy violations the CFRT Lieutenant may initiate a request for an administrative (internal) investigation, through proper channels.

In examining force incidents, Response Team Sergeants will pay particular attention to events that precipitated the use of force and the tactics used. In incidents where multiple employees are participants, additional focus will be placed on the actions of responding personnel and the tactics involved in their engagement.

CFRT Notification

Nothing in this policy alters the responsibility of Watch Commanders to notify the Internal Affairs Bureau (IAB) when required per MPP 5-09/434.05 after a force incident.

Watch Commanders shall make immediate verbal notification to the CFRT Lieutenant whenever any of the following force incident criteria are present:

- On any IAB notification which doesn't immediately require their mandatory response
- Significant inmate injuries as a result of employee contact or alleged contact
- Significant employee injuries as a result of inmate contact
- Taser use
- Personal weapons used – if use results in significant inmate injury
- Impact Weapon/shod foot used - if use results in significant inmate injury
- Carotid restraint
- Emergency Response Team action resulting in significant inmate injury
- Any head strikes – including the head striking any fixed/hard object
- Watch Commander may seek a CFRT response due to the circumstances

All notifications shall be made through Sheriff's Headquarters Bureau: (323) 267-4800.

Significant Injury for the Purpose of this Policy

Significant injuries consist of more than minor redness, swelling, or bruising. Complaints of pain will not be considered notification criteria unless the complaint is regarding the head, neck, or spine; or, may possibly be indicative of an internal injury.

CFRT Response

The CFRT Lieutenant shall evaluate the information and determine if response is appropriate.

Unit Commander Duties

Upon initial completion of the Use of Force packet, the facility will make arrangements for delivery of the entire packet (including video and evidence if requested) to the CFRT. The use of force packet is due no later than 14 days after the incident. The CFRT has 7 business days to review the packet and return it to the facility with noted corrections, concerns or questions, if any.

Once the packet is returned, the Unit Commander will ensure that any necessary corrections, concerns or questions have been addressed, note they have reviewed it, and return the packet to the CFRT for the Custody Force Review Committee (CFRC). The packet must be received by the CFRC no later than 30 days after the incident. The force investigation will then be scheduled for a CFRC review hearing.

When an unforeseen circumstance interferes with a unit's ability to meet any of the above stated time lines, the Unit Commander will advise the CFRC Chairperson (Commander) and formally request an extension in writing, explaining the reason for the delay.

CFRC Disposition Duties

Refer to CDM 4-07/0050.05, Custody Force Review Committee.

Reportable force is less significant when it is limited to any of the following and there is no injury or complaint of pain nor any indication of misconduct:

- Searching and handcuffing techniques resisted by the suspect,
- Department-approved control holds, come-along, or take down,
- Use of Oleoresin Capsicum spray, Freeze +P or Deep Freeze aerosols, or Oleoresin Capsicum powder from a Pepperball projectile when the suspect is not struck by a Pepperball projectile.

Reportable force is significant when it involves any of the following:

- Suspect injury resulting from use of force,
- Complaint of pain or injury resulting from use of force,
- Indication or allegation of misconduct in the application of force,
- Any application of force that is greater than a Department-approved control hold, come-along, or take down. This includes the activation of the electronic immobilization belt or the use of the Total Appendage Restraint Procedure (TARP).
